

## Les Houches The Hidden Gem Of The

Las Vegas has more than 100,000 hotel rooms to choose from. There is something for every budget, and enough entertainment within walking distance to keep anyone occupied for months,

One of the best ways to make a great vacation quickly horrible is to choose the wrong accommodations for your trip. There is nothing quite as bad as spending a great day of vacation only to come back to a less-than-great place to stay for the night. Anytime you are away from home it is important to choose the best accommodations for your comfort and enjoyment. It doesn't matter if you are going on a three week
